Chris Nikpora and Kim Cameron of Side FX

My Hero

Performed by Side FX
Music and Lyrics by Kim Cameron
Copyright 2008

The Side FX Band hails from the nation's capital and offers an alternative sound that is all their own . . . a smooth blend of pop, jazz, country, and rock, with sometimes even a few rifts of middle-eastern wind instrumentation woven in. More than Just Music is the motto the band lives by exploring new sounds and combining rhythms and beats that together offer the unexpected.

Combining a fresh genre-shifting sound with inspired lyrics, the band lets loose with sultry lead singer Kim Cameron's get up and dance spirit. Other members of Side FX are Chris Nikpora, Nick Nikpourfard, Chris Bowerman, and Terry Marshall.

This song is in honor of America's troops.

"We wanted to . . . send a special thanks to our heroes." Side FX
